Hey you, out there in the cold

Getting lonely, getting old

Can you feel me?

Hey you, standing in the aisles

With itchy feet and fading smiles

Can you feel me?

Hey you, dont help them to bury the light

Don't give in without a fight.

Hey you, out there on your own

Sitting naked by the phone

Would you touch me?

Hey you, with you ear against the wall

Waiting for someone to call out

Would you touch me?

Hey you, would you help me to carry the stone?

Open your heart, I'm coming home.

But it was only fantasy.

The wall was too high,

As you can see.

No matter how he tried,

He could not break free.

And the worms ate into his brain.

Hey you,^{E_m9} out there on the road

always doing what you're told,

Can you^{B_m} help me?

Hey you,^{E_m9} out there beyond the wall,

Breaking bottles in the hall,

Can you^{B_m} help me?
